

PRESS RELEASE

Inno at Stockholm fair 3rd – 7th February 2015

Inno will be presenting novelties as part of the “Cozy Office” -concept for friendly environments at the Stockholm furniture fair 2015. Box Wood, Lab Bar chair in two heights and a high Lab table are representing the recently introduced concept. Additionally, the updated In-tensive modular meeting table system along with Taivu easy chair, Intro chair with armrests and Bondo tables can be experienced at Inno’s stand B05:21.

IN-TENSIVE design Jouni Leino

The modular meeting table In-tensive is updated with a new, wooden leg option that complements the range with exquisite dynamics. The versatile system offers solutions for different conference needs with the capability of easy cable management and different connections.

BOX WOOD design Harri Korhonen

Box Wood with wooden legs and soft appearance is a new version of the Box sofa system. The sofas and the benches that come in different widths and lengths are presented as part of the Cozy Office concept.

TAIVU design Mikko Laakkonen

Taivu is a light and youthful, totally upholstered lounge chair for lobbies and waiting areas. Taivu Lounge is a generous and comfortable chair seasoned with classic shapes. Taivu is easily tailored to fit different public interiors as well as homes.

INTRO design Ari Kanerva

The armrest version of Intro has a distinct spirit that is suitable also for conference milieus. Intro is a stackable wooden chair for use in a variety of public and private spaces like dining rooms. The unique design combined with ergonomic proportions make it suitable for use in different purposes alone, in a group or around a table. Available with an upholstered seat and/or back.

LAB BAR design Harri Korhonen

Lab Bar chair is presented in two heights. A high Lab table is presented along with the low bar chair. Lab W chair stacks vertically, Lab Z chair with a height adjustment mechanism and wheels or glides and Lab X with a four-star cross-leg are available with or without armrests. The softness of the chair has been created through a plain quilted seat. Lab table is a casual meeting or dining table, available as an individual or a modular version that can be extended endlessly.

BONDO design Harri Korhonen

The Bondo table is available in five sizes that overlap each other slightly. The light structure, beveled table top edge and soft shape create an aerial impression.
